We Touch Your Life...

From Turkiye to whole World

We have been offering our products to our customers under the ZAYA brand since 2021. We are on our way to becoming Turkiye's most valuable brand in the Electric Fireplace industry with the product diversity we offer in the field of flueless fireplace systems, our original designs, quality understanding and after-sales services.

Warmth of fire in your homes

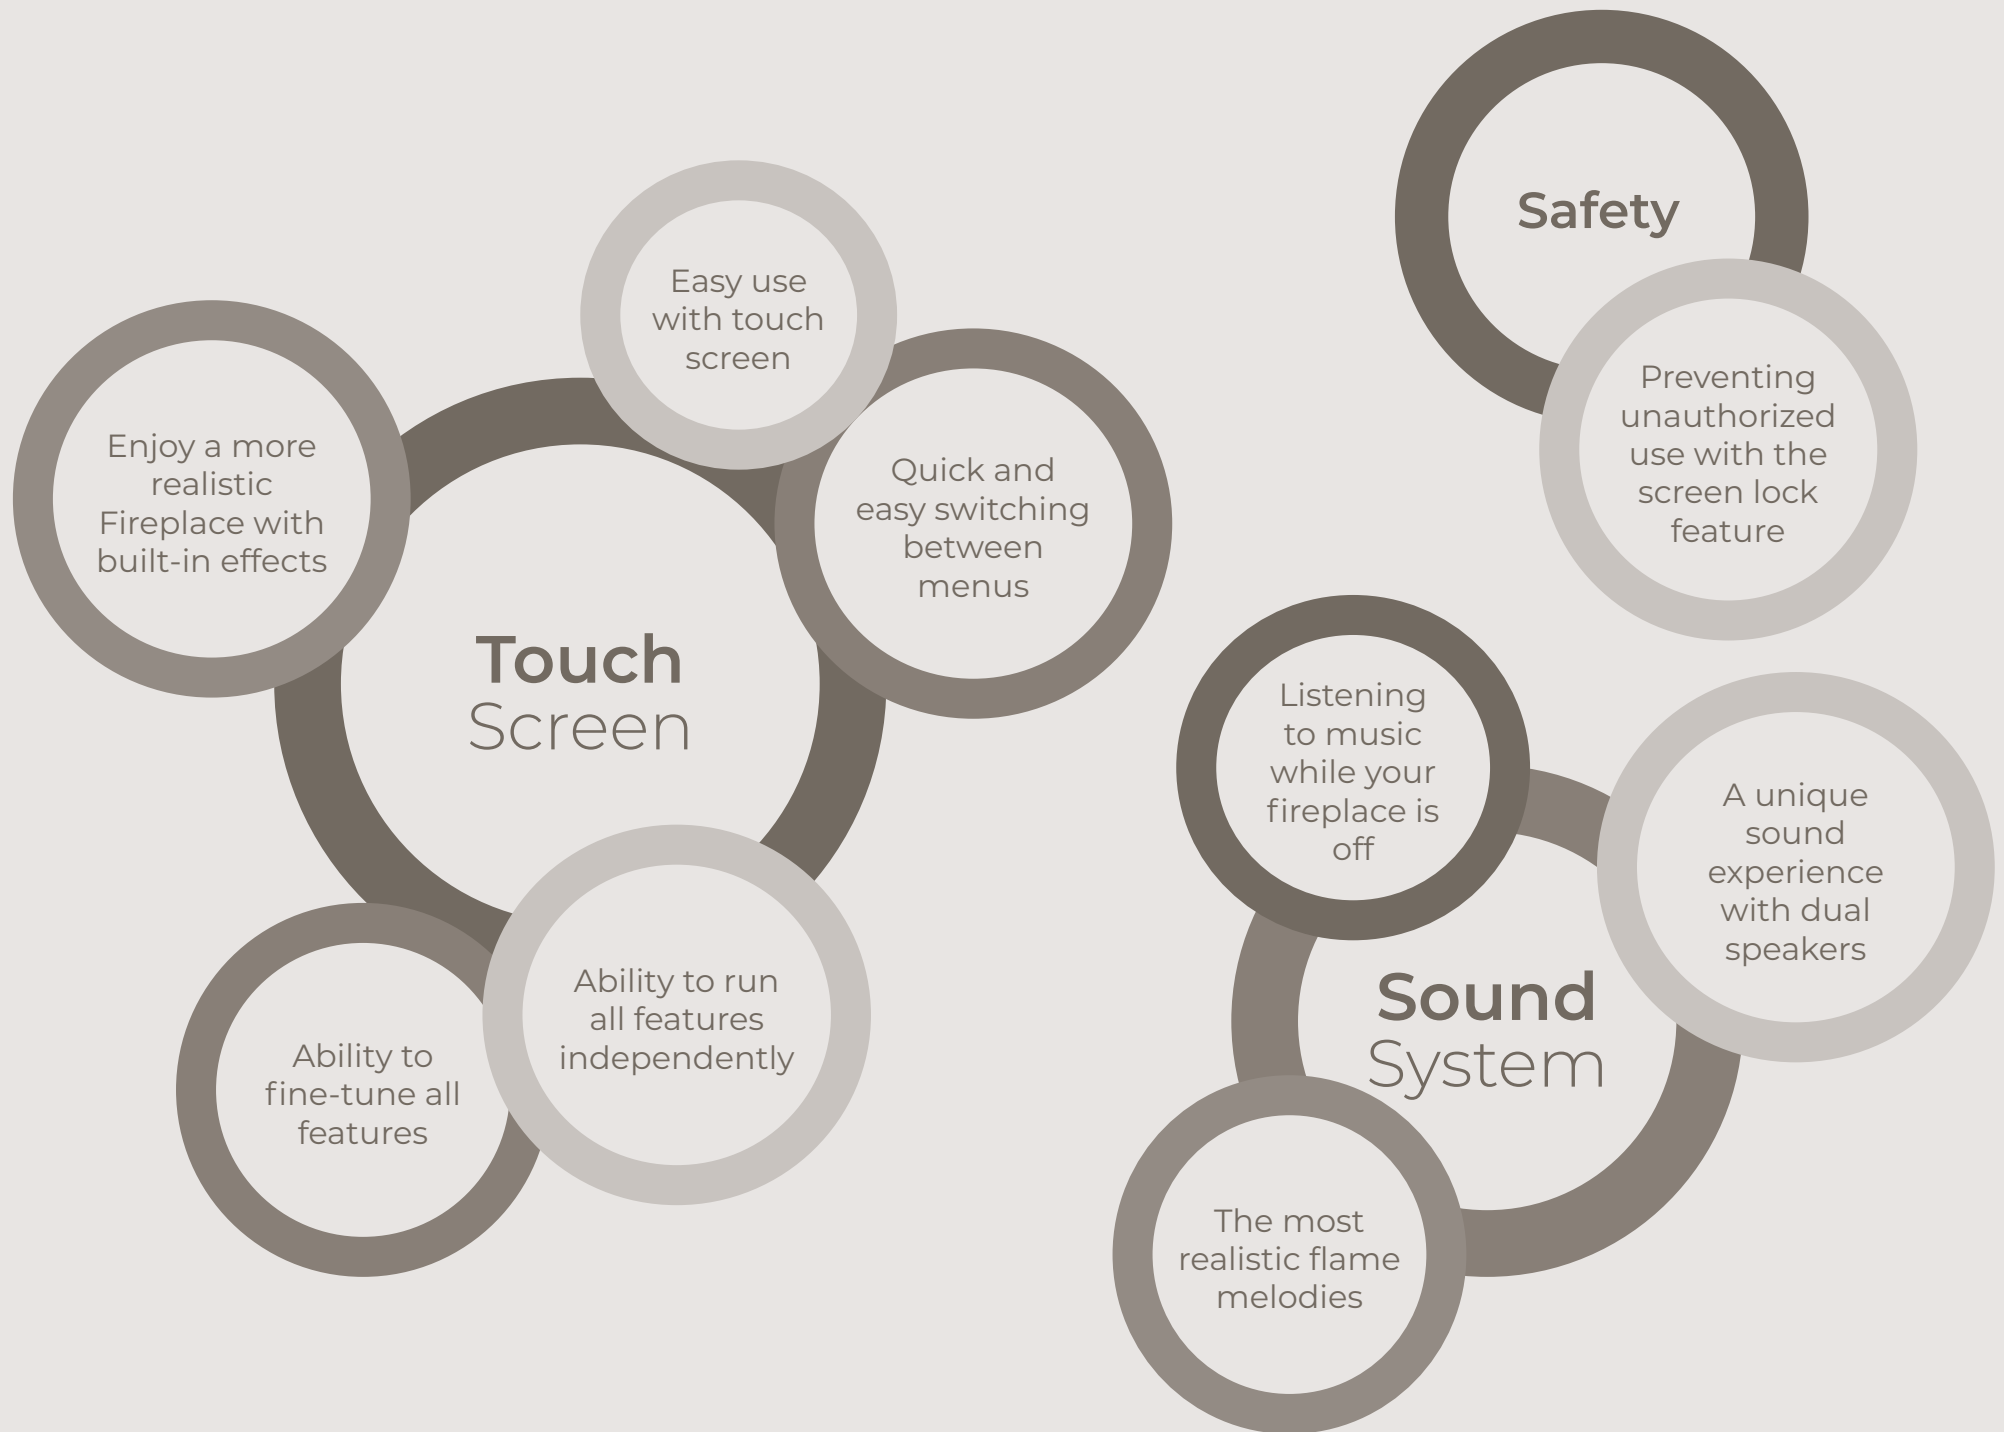

ZAYA fireplaces brings your homes the atmosphere of a traditional fireplace with its real-like electric fireplaces. ZAYA fireplaces are designed to fit safely anywhere in your home.

We Believe in the Pursuit of Doing Good

As ZAYA, our goal is far beyond making profit. We believe that we need to touch people's lives and leave a positive mark.

A commitment to developing environmentally sustainable products

ZAYA, which is Turkey's most preferred electric fireplace brand, also exports its products under its own brand to many countries. ZAYA is proud to continue to develop energy-efficient electric fireplaces that deliver exceptional value and superior quality with high levels of customer satisfaction.
